It is the responsibility of the prize winner to follow-up with the Society any sponsored prize (cash, voucher, product, trophy) they believe they are entitled to prior to 30 November in the year of the prize being awarded. Failure to do either of the above will require the RA&HS to withhold tax, at the maximum tax rate, from prize money in accordance with Australian tax legislation.

The RA&HS is not a tax consultant and therefore assumes no liability for actions taken as a result of these guidelines. In any instances where an entrant or sponsor is uncertain of the tax implications of their involvement, they should consult their own accountant or tax advisor.

It is the responsibility of the prize winner to follow-up with the Society any sponsored prize (cash, voucher, product, trophy) they believe they are entitled to prior to 11 December in the year of the prize being awarded. The Society will not follow-up prize sponsors after this date or review any prizes that may have been incorrectly awarded.

PENALTY FOR NON-EXHIBITION OF ANIMAL

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense and disarrangement of the Show area, any persons making an entry shall be liable to a fine of \$15 in respect of each animal not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the secretary of the Society before the day of exhibition to the effect that such non-exhibition is caused either by

1. the death of the animal or animals; or
2. contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or
3. becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such will debar all persons owing from exhibiting at future exhibitions of the Society.

SICK OR DISEASED ANIMALS

If in the opinion of a qualified veterinary surgeon appointed by the Society, an animal on the Showground is so injured or affected by sickness, disease or other ailment as to warrant its destruction or removal from the Showground, the Society shall be entitled to have the animal destroyed and/or require it to be removed immediately from the Showground. If the exhibitor fails to respond to a request to remove an animal, the Society may do so, and any costs of removal will be borne by the Exhibitor.

UNAUTHORISED REMOVAL

Exhibitors shall not remove their animals from the Showground before the time set down for their removal unless they produce a certificate signed by the Society's Veterinary Surgeon or the Supervisor of the section, signifying that the animal shall be removed for reasons of health or condition.

SHOW RULES

The South Australian Rabbit Association Incorporated reserves the right to decline entry of an exhibit where any Show rule is not strictly adhered to.

JUDGES

Purebred Rabbits.....Scott Rodriguez (USA)
 Rabbit Showjumping Michelle Gladwin & Sue Petersen
 Pet Rabbit Day.....Scott Rodriguez & Celebrity Judge (TBC)

VETERINARY INSPECTION

Purebred rabbits must arrive from 7.00 am and no later than 8.00 am on judging days. Showjumping and Pet Rabbits must arrive from 8.00 am and no later than 9.00 am on judging days. Examination by the Society's veterinary surgeon will commence at 7.30 am for Purebred rabbits and 9.00 am for Showjumping and Pet Rabbits.

All rabbit's nails must be clipped prior to vetting.

Any rabbit which shows symptoms of any disease is infested with fleas or mites and/or dirty, must be removed from the Showground immediately.

If any exhibit is rejected on the grounds of infectious or contagious disease, then other exhibits from that rabbitry may also be excluded from the competition.

The vet's decision is final.

SPECIAL NOTE

The RA&HS reserves the right to combine the two Purebred judging days pending entry numbers. In the event of this, judging of all the Purebreds will take place on Saturday, 31 August.

Official notification of judging day/s will be sent to exhibitors after the close of entries.

All entries tendered are with this consideration.

PURE BRED RABBIT REGULATIONS

Judging will follow the BRC breed standard, with the ARBA breed standard being used for any additional breeds not covered by the BRC. In entering your rabbit, you are inviting the personal opinion, on that particular day, of the duly appointed judge. The judge's decision on the day is final and no correspondence will be entered into. All exhibits in breed classes must be wearing approved leg rings with the only exception being rabbits that have been marked with an official tattoo of the club or country of origin.

Transfers & Stud Prefixes:

A rabbit that has changed hands and is wearing a ring or tattoo that is registered to a previous owner must be transferred to the current owner/exhibitor. A transfer form is to be completed bearing the previous owner's details and signature. The transfer form must be submitted to the South Australian Rabbit Association no later than 2 weeks after the close of entries or the exhibit will not be eligible to be shown. A transfer fee will be applicable as per current rules as set by the SARA committee.

For enquiries regarding the transfer of exhibits please contact Sally Turner - mobile: 0417 886 307 or email:

sarabbits.inc@gmail.com

It is a requirement that all exhibits carry the correct stud prefix at time of entry, therefore indicating the breeder of that exhibit (The breeder is recognised as the person that had possession of the doe at the time of birth). This also includes breeders from interstate and other clubs.

Purebred Rabbit Ages:

Ages will be calculated as at 29 August 2025

The minimum age of a rabbit entered will be ten (10) weeks. Age brackets are fixed as follows:

- (a) Kittens to be 10 weeks and under 14 weeks. For rabbits born on or between 24 May and 20 June 2025
- (b) Juniors to be 14 weeks and under 5 months. For rabbits born on or between 30 March and 23 May 2025
- (c) Adults to be 5 months and over. For rabbits born on or before 29 March 2025

Advertising:

Exhibitors are not permitted to display any advertising material until completion of judging.

The exhibitor may then only display a maximum size of business card or similar on their show cages.

Handling:

All animals must be handled with care and kindness. No rabbit is to be lifted by its ears or the scruff of the neck. The grooming of all breeds of rabbits must be completed and the exhibit penned 30 minutes prior to show commencement.

The exception being long coated breeds, which are allowed to be groomed until 15 minutes prior to show commencement. No person/s other than officials of the South Australian Rabbit Association are permitted behind the barriers while judging is in progress. At the discretion of the Show Convenor any animal that is unable to be handled safely will not be judged.

SHOWJUMPING REGULATIONS

Only healthy, tame, clean and friendly rabbits are eligible to compete in the Showjumping competition. Exhibits may be any breed of domestic rabbit, no pedigree or registration is required to compete in this section; however all remaining general show rules will apply. Rabbits on any type of medication are not eligible to participate. Pregnant or Nursing Does are not eligible to compete. Rabbits should never be "pushed" or "forced" to complete a jump on the course and scooping is not allowed (scooping is determined as being a forward action of the handler's hand behind the rabbit to encourage it to jump). In addition to this, rabbits on harness must not be "dragged" or directed with the feet of the handler. The handler may grab the harness to correct the rabbit if the handler is stationary.

Competitors in the Adult Group 2 must use a "H Style" harness. No other type of harness is allowed.

Rabbits must be handled in a humane manner and careless handling of rabbits will result in a warning.

Judges have the right to ask an exhibitor to step down if cruelty is observed or suspected. Serious neglectful handling will result in disqualification from all classes entered.

Only participating rabbits will be permitted in the event area. Only rabbits competing in the class being run will be allowed to use the jumping equipment.

The equipment size, height and order will remain the same type and construction for each rabbit competing in that class.

Please note that the classes may not run in the same order as printed in this schedule.

Showjumping Ages:

Ages will be calculated as at 31 August 2025

The minimum age of a rabbit entered will be six (6) months.

Competitors are split into Junior and Adult groups depending on the age of the entrant/handler.

Please take care to enter the correct classes as per your age as at 31 August 2025

Age groups are determined as follow.

Junior group – You may be 14 years old or younger.

Adult groups - You must be 15 years of age or older.

Cleaning:

It is important that each rabbit is well groomed, clean and long nails are trimmed before competition, to prevent contamination of

the equipment or injury to the rabbit.

Exhibitors must clean carpet and equipment thoroughly, if soiled, after the completion of the run.

PET RABBIT REGULATIONS

Competitors are split into Junior and Adult groups depending on the age of the entrant/handler.

Please take care to enter the correct classes. Ages will be calculated as at 31 August 2025

The minimum age of a rabbit entered will be ten (10) weeks.

Age groups are determined as follow.

Junior group – You may be 14 years old or younger.

Adult groups - You must be 15 years of age or older.

You may enter as many classes as you wish.

Exhibits may be any breed of domestic rabbit, no pedigree or registration is required to compete in this section; however all remaining general show rules will apply. All animals must be handled with care and kindness. No rabbit is to be lifted by its ears or the scruff of the neck.

PROHIBITION FROM EXHIBITING EXHIBITS NOT ELIGIBLE TO COMPETE

Any exhibitor, in whose rabbitry a case of Myxomatosis is confirmed, may not exhibit at the show unless the elapse of 28 days has occurred from the last death.

Any exhibitor, in whose rabbitry a case of Calici Virus is confirmed, may not exhibit at the Show unless the elapse of 120 days has occurred from the last death.

An exhibitor must not compete if they have had unexplained deaths in their rabbitry within the 14 day period before the Royal Adelaide Show. Calici Virus should be expected in any sudden death especially if more than one rabbit in the household has died.

CAGES

Exhibitors must supply their own show cages. Cages must have a solid leak proof tray/base, which cannot exceed half the total height of the cage. Shavings or litter must be contained in the base, under the wire floor. Wood construction of any type is not allowed. Cages should be designed and maintained in a condition as to not cause injury to stewards or the rabbits. All cages must be top opening with the lid 100% the size of the cage, therefore providing unobstructed access to the exhibit. At the exhibitor's discretion, cage curtains made of cotton may be attached covering three sides and must leave the cage front and top clear.

A cage curtain must not impede the stewards' access. Cages are not to be marked with exhibitor name or stud prefix.

Cages can be divided if the rabbits being exhibited are of the same breed and the size requirement is not compromised. The height of the cage should have sufficient clearance so that the rabbit's ears do not contact the lid. A maximum height of 45 cm applies to all show cages. The size requirements below are a recommendation for the wellbeing of your rabbit.

Dwarf & Miniature breeds up to 2.25 kg (5 lbs) – 30 x 40 cm

Medium sized breeds up to 3.65 kg (8 lbs) – 35 x 50 cm

Large and Giant breeds – 40 x 60 cm

The Show Committee can refuse cages of poor design and has the final say regarding the suitability of all show cages and curtains.

EXHIBIT PREVIOUSLY OWNED BY A JUDGE

No rabbit previously owned by a judge shall be eligible for exhibition under that judge until a period of three months has elapsed from the date of registration or transfer being recorded.

LIABILITY

All rabbits are entered at the risk of the owner. The RA&HS and the SARA Inc. will take all due care but accept no responsibility for the health and wellbeing of rabbits attending the Show.

FEED AND WATER

All exhibits must have water bottles always fitted to their cages. Owners are permitted to supply foodstuffs as they see fit. Loose hay must be contained in a hay cage or enclosure suitable for this purpose (e.g. cardboard toilet roll). The Vetting Officer, Show Convenor or other committee member may supply water to any animal if they feel it is necessary to do so.

Water bottles should be attached in a manner that does not impede the steward's ability to open the cage and remove the rabbit easily.

The Royal Agricultural & Horticultural Society of SA makes every attempt to ensure that all information contained within this schedule is correct at the time of printing, however the RA&HS retains the right to change such details as may be required.

SOCIAL MEDIA

No exhibit entered in a SARA show shall be identified by photos and or by name posted on any social media platform from close of entries or 14 days prior to the show, whichever is greater. This also includes photos of show cages and curtains. Breaking this rule may result in the exhibit being withdrawn and possibly the entire entry. Exhibits identified on social media before show completion may also be withdrawn.

In addition, we must respect the rights of individuals regarding photos taken at shows. If these photos are posted to social media, people have the choice if they wish to appear in them or not. With current technology it's quite easy to crop a photo or totally remove someone from a photo if necessary. SARA does not condone photos or video footage being posted to social media containing any person without prior approval by the people in the photo/video
