RURAL PATHWAYS PROGRAM

Thomas Foods International (TFI) proudly support and encourage careers in Australian agriculture. Our Rural Pathways Program is targeted at **recent school leavers** who are seeking an entry level opportunity with a leading Australian agricultural company.

Over the 12-month program, successful applicants will gain experience across both TFI Rural and Southern Cross Feedlot. Our objective is for all participants to finish the program well-equipped to continue a successful career in the agricultural industry. We achieve this through providing both internal and external training and support during the program.

TFI Rural: Represents our multi-site farm operation spread across southern Australia, producing lambs and cattle, also cultivating crops. Our farms cover an area in excess of 22,000 hectares.

Southern Cross Feedlot: Our industry leading and award-winning feedlot with a 27,000 standard cattle unit capacity is a key partner of the TFI Murray Bridge Processing Plant.

To find out more and for expressions of interest, please email Kelly Nankivell, Business and HR Manager: Kelly.Nankivell@thomasfoods.com

"The Rural Pathways Program was an eye opening experience for me. This year not only developed my practical skills and knowledge, but also socially - making life long friends and meeting people from all different agricultural backgrounds."
